Penske Truck Rental Joins AMSA Member Discount Program

ALEXANDRIA, Va. -- The American Moving & Storage Association (AMSA) has just added another company as a preferred provider in its member discount program. AMSA members nationwide can now receive exclusive discount pricing from Penske Truck Rental.

Penske offers services especially valuable to medium and smaller member companies across the United States, according to AMSA president and CEO Linda Bauer Darr. "I'm delighted AMSA is now providing an even wider range of discounted products and services to our members, especially in this difficult economy. As a new partner in our member discount program, Penske obviously offers a very practical service -- truck rentals -- which I know will prove especially appealing to many of our independent smaller and mid-sized members."

As an AMSA preferred provider, Penske Truck Rental offers AMSA members exclusive discounted pricing on short- and long-term truck rentals, fast and easy rental reservations, convenient nationwide pick-up/drop-off locations, and helpful 24/7/365 roadside assistance with all rentals.

"We are very pleased to be working with the American Moving & Storage Association," said Art Vallely, senior vice president--rental for Penske Truck Leasing. "As a preferred provider to AMSA members, we look forward to effectively serving their needs."
